School Watch

This program is a partnership between Education Queensland, Queensland Police Service and State Government Protective Security Services (SGPSS) and aims to encourage the community to watch over schools and report suspicious activity to a central reporting telephone number: **13 17 88**.

The motto of the School Watch program is 'Look, Listen, Report' which is designed to make sure that suspicious activities are reported and that members of the community are not placed at risk of harm or injury by intercepting an incident in progress.
